

Hylant Leading the Way to an A

The SCPS “On Our Way to An A” fund received a \$10,000 boost from Hylant - Orlando. The fund is geared towards assisting students that face reading challenges in order to help narrow the learning gap and improve standardized testing scores. This program serves to address the needs of at-risk students at seven lower performing schools in the district, such as Hamilton, Midway, and Idyllwilde Elementary Schools. Intensive reading programs are being implemented at each school that will involve trained mentors, books, and reading learning applications on tablets. Students will also be rewarded with small celebration events as they reach important key milestones.

“We are so excited to be able to implement programs that are geared towards bettering our students. We can’t thank Andria Herr and Hylant enough for this gracious donation to assist us in our academic goals,” said Dr. Walt Griffin, Superintendent, SCPS.
