The proceeds of the festival support The Foundation in providing scholarships to students pursuing a career in fine arts and many other art programs at Seminole County Public Schools!

This year's festival will showcase even more artists, children's art, fine arts and crafts, live music and entertainment, multiple food trucks, and a VIP tent.

What's Cool in Our Schools - the Mud Walk!

**Learn about a rite of passage for
Seminole County Public Schools' fifth graders.**

The Mud Walk has been a rite of passage for SCPS fifth graders for decades. Their experiences at the Seminole County Environmental Studies Center give them an opportunity to experience hands on what they are learning in the classroom.

Keep the tradition going and show your support for hands on, outdoor learning by donating to the Environmental Studies Center at www.foundationscps.org/get-involved/donate/.
