

Dear Friend of The Foundation,

We are excited about the 24<sup>th</sup> Annual Golf FORE Education Tournament presented by **Insurance Office of America** on **Monday, March 26, 2018**, at The Legacy Club at Alauqua Lakes.

This tournament is host to an audience of over 150 golfers and sponsors that live and work in Seminole County.

Support from businesses and community volunteers ensures a strong public school district, which is a major economic driver in our community. Since 1986, The Foundation for SCPS has raised over \$36 million to support student achievement. Since inception, the Golf FORE Education Tournament has netted more than \$900,000 to support Seminole County Public Schools.

**Show your support by donating raffle items or tee-gifts, participating in the tournament or volunteering for the day.**

Funds raised help to ensure that today's students become tomorrow's productive citizens. We align our funding priorities with the priorities of the school district to include: removing barriers to learning, improving student performance, and investing in our educators.
