

## The Arts are Alive in Seminole!

The 21st Annual Arts Alive in Seminole was a tremendous success! A sold out crowd of over 300 guests were immersed in the arts through performances by our students and teachers.

Thanks to amazing supporters like presenting sponsor Orlando Health South Seminole Hospital, the arts are being kept alive in Seminole County Public Schools. Early estimates show that the event netted over \$100,000 to be distributed to each school to support the visual and performing arts programs in 2018-2019, as well as district-wide arts events. This wouldn't be possible without the generosity of our sponsors, donors, committee and the business community.

Since inception, Arts Alive has raised more than \$1.5 Million to augment the visual and performing arts programs in our schools.

## Jeunesse supports SCPS's future PreK STEM Center

Jeunesse Global's recent Orlando Expo

featured a few special guests from our Pre-K program who shared their career aspirations. These students and our SCPS staff were also presented a check for \$146,777 from Jeunesse Kids to support the planned Great Start PreK STEM Center for Seminole County Public Schools! Since then, their generosity has continued to grow to over \$150,000. Our Great Start program includes a parent education component that serves parents and children from birth to 3 years old, focusing on early literacy, child development and nurturing for infants and toddlers.

Thank you Jeunesse Global and Jeunesse Kids for the very generous donation! [Watch](#) our students take the stage.
