

The Foundation will award over \$150,000 in scholarships to the SCPS Class of 2025!

Our 50+ Scholarships range in value and while most are available to all SCPS High Schools, some are specific to Hagerty, Lake Brantley, Lake Mary, Lyman, Seminole, and Winter Springs. Some opportunities focus on Areas of Study such as Trade Programs, Education, Nursing, the Arts, Engineering, or to students who've participated in athletic programs, arts programs, extracurricular activities, and community service. Other factors are considered such as students who have overcome challenges, experienced homelessness or demonstrated financial need.

All applicants must be committed to pursuing continued education within one year of graduation. Scholarship funds will only be distributed to an approved university, college, or trade school. Monetary awards can be used for tuition, textbooks, and/or school fees.

Please review the detailed scholarship descriptions then apply at [fscps.awardspring.com](https://www.fscps.awardspring.com).

The application deadline is Monday, March 17, 2025.
